ikc theme song:

We are all born in a different way How we look and what we say

From different countries around the world of different genders: boys and girls

of many sizes and colors, too The things we like and the things we do

We're sure glad if works this way The world is so colorful everyday

If everyone were the same, you see You wouldn't be you and I wouldn't be me!

Enjoy and remember: Please try and keep the world in one peace!
