

PLANETPALS FREE RECYCLE KIT!

KIT 6

A cut and print project!
PRINT THEN CUT ALONG THE LINES.

One of the best ways to help recycle is to have a yard sale! When you have a yard sale you give things a second life with new owners. It's easy and fun....just clean out things you have outgrown like clothes and toys, and put them outside along with this sign. Who knows, you may even make enough money to buy some new things!
