

PLANETPALS Paper Mache Earth

What you need:

Paper mache mixture
one balloon or styrofoam ball for the Earth
Blue and Green Paint
String

1.

Glue or tape
2 balls or
balloons together
like the example below

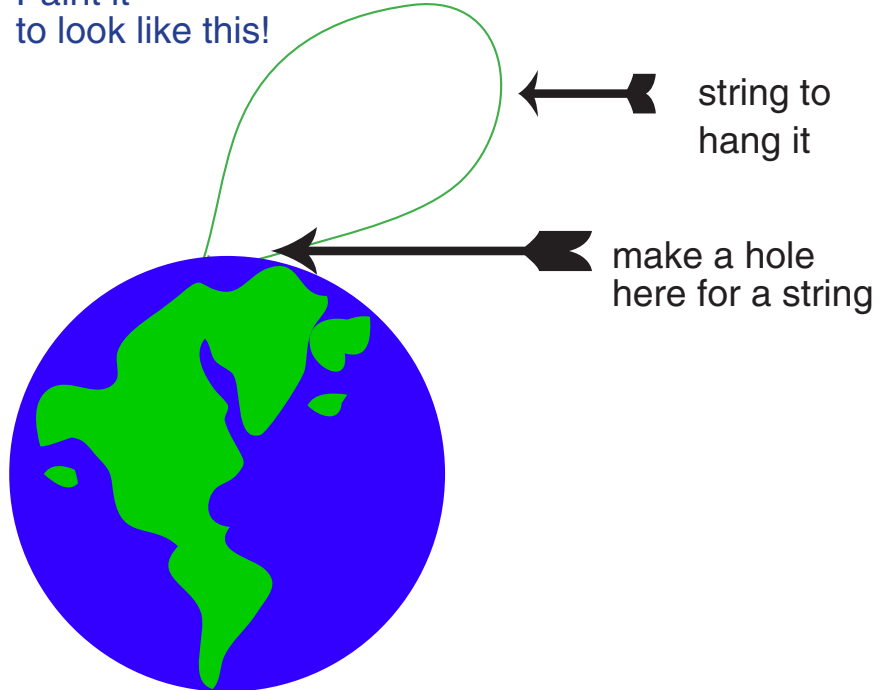

2.

Cover the balloon
with paper mache mixture.
Add it one piece at a time
until you form your ornament
as you like it...
see the earth in #3

3.

Paint it
to look like this!

Now you're ready to paint!

You can try and paint all the
way around the ball
like the samples to the right:
*If you need help
ask a parent or a teacher.
