

Planetpals Santa Ornament

What you need:

- Paper mache mixture
- one small balloon or styrofoam ball for the head
- one big balloon or styrofoam ball for the body
- Paint
- String

1.

Glue or tape
2 balls or
balloons together
like the example below

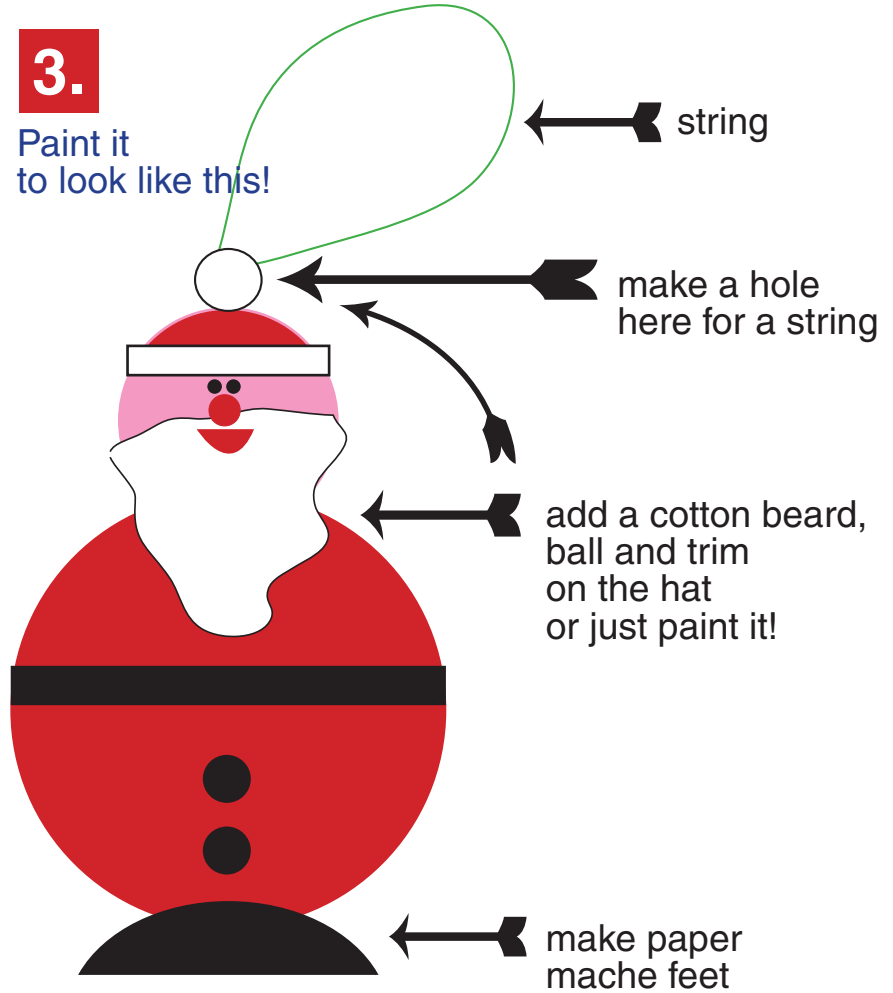

2.

Cover the balloon
with paper mache mixture.
Add it one piece at a time
until you form your ornament
as you like it....
see the santa in #3

3.

Paint it
to look like this!

Use your imagination!
you could use one balloon
for an ornament or
three for a snowman
like the samples to the right
